

Couplings & Connectors

Quality craftsmanship at an affordable price

Type M Style Hose Connectors

High quality, hardend Type M fittings from Bingham Industries hold up longer than the competition.

Always subject to the best machining practices, even on something as simple as a hose fitting, we make sure to deliver the best possible product every time. Our fittings are made of the highest quality PH grade stainless steel and are never die-cut. Our threads last longer than other manufacturers

Description	Part #	Heat Treated	PSI Rating
1-1/8 x 1-1/8 Type M	402801	Yes	55,000 PSI
1-1/8 x 7/8 Type M	402802	Yes	55,000 PSI
1-1/8 x 9/16 Type M	402803	Yes	55,000 PSI
7/8 x 7/8 Type M	402804	Yes	55,000 PSI
7/8 x 9/16 Type M	402805	Yes	55,000 PSI
9/16 x 9/16 Type M	402806	Yes	55,000 PSI

Speciality Fittings - Adapt Type M to HP Style

All speciality fittings are heat treated for additional hardness and longevity.

Bingham Industries stocks a wide variety of specialty fittings for adapting non-common hose and fitting types. These fittings can also be used to adapt from pumps and accessories to standard hose fitting types.

Description	Part #	Heat Treated	PSI Rating
1-1/8 TYPE M X 9/16 MALE HP	402807	Yes	55,000 PSI
1-1/8 TYPE M X 9/16 FEMALE HP	402808	Yes	55,000 PSI
1-1/8 TYPE M X 3/8 MALE HP	402809	Yes	55,000 PSI
1-1/8 TYPE M X 3/8 FEMALE HP	402810	Yes	55,000 PSI
7/8 TYPE M X 9/16 MALE HP	402811	Yes	55,000 PSI
7/8 TYPE M X 9/16 FEMALE HP	402812	Yes	55,000 PSI
7/8 TYPE M X 3/8 MALE HP	402813	Yes	55,000 PSI
7/8 TYPE M X 3/8 FEMALE HP	402814	Yes	55,000 PSI
9/16 TYPE M X 9/16 MALE HP	402815	Yes	55,000 PSI
9/16 TYPE M X 9/16 FEMALE HP	402816	Yes	55,000 PSI
9/16 TYPE M X 3/8 MALE HP	402817	Yes	55,000 PSI
9/16 TYPE M X 3/8 FEMALE HP	402818	Yes	55,000 PSI
